RE: UNITED STATES v. KAMAR BOATMAN, CASE NO.: 5:18-CR-0185

Dear Judge Dancks:

For the reasons expressed by my client in his *pro se* letter to the Court (Dkt. No. 28), the defense respectfully requests that the Court set a date for a renewed detention hearing in Mr. Boatman's case. At or before this hearing, the defense would present the Court with further evidence documenting Mr. Boatman's entrepreneurship and community activism.

Thank you for your consideration. Please let me know if the Court has any questions or concerns.

Very truly yours,

OFFICE OF THE FEDERAL PUBLIC DEFENDER
